WORK EXPERIENCE

FRONTEND WEB DEVELOPER

PetLabCo.®

July 2020 - Present

- Develop and maintain high-converting e-commerce funnel, presell, and upsell experiences using React, Next.js, Gatsby.js, Vue.js, TypeScript, JavaScript, and PHP.
- Build reusable and scalable frontend components using modern frameworks and component-driven development practices.
- Develop and integrate headless CMS solutions using Strapi, enabling content-managed and scalable web experiences.
- Implement complex product, pricing, promotional, discount, bundle, SKU, and quantity logic across e-commerce customer journeys.
- Build and maintain pages and content experiences using Builder.io and Strapi CMS.
- Work with GraphQL and API integrations to retrieve and manage product, promotional, and customer-facing data.
- Troubleshoot and resolve frontend bugs, production issues, API/GraphQL errors, build failures, and deployment problems.
- Deploy and maintain production websites through Netlify and support CI/CD workflows.
- Collaborate with optimization, e-commerce, and development teams to translate Jira requirements and business objectives into production-ready solutions.
- Apply engineering best practices including TypeScript, testing, linting, type checking, refactoring, code reviews, and Git-based workflows.
- Optimize applications for performance, maintainability, scalability, and reliability.
- Work within a distributed Agile development environment, collaborating with cross-functional teams to continuously improve e-commerce experiences.

ACCOUNTANT

July 2018 - June 2020

Archdiocesan Nourishment Center

- Manage and maintain financial records using QuickBooks Accounting System.
- Perform bookkeeping and day-to-day accounting activities, ensuring accurate and up-to-date financial records.
- Prepare and process employee payroll, including payroll calculations and related documentation.
- Prepare check vouchers and supporting documents for payments and disbursements.
- Process bank deposits and perform regular bank reconciliations to ensure accurate financial records.
